Alberto Hernandez

Alberto Hernandez is the Director of Vessel Traffic Service (VTS), USCG Sector Houston-Galveston. He started his career at VTS in 2005. He is passionate about leading a team of professional active duty and civilian Vessel Traffic Managers dedicated to facilitating safe, efficient, maritime commerce on the Houston-Galveston waterways.

Alberto served on active and reserve duty in the U.S. Navy from 1995 to 2009. His units include USS REUBEN JAMES (FFG 57), USS FREDERICK (LST 1184), Naval Surface Group Middle Pacific, Military Sealift Command Expeditionary Port Unit 110, and Pacific Submarine Strike Group Operations Detachment H.

Alberto was employed with H-E-B Grocery Company as a manufacturing engineer and plant manager. He was also employed with Bombardier as an electric train technician.

He is a Houston native, a 1995 graduate of the U.S. Naval Academy, and holds a Master of Engineering in Cyber Security Policy and Compliance from The George Washington University.
